I. The Healing Measure (Alchemical Synthesis)

Entity Focus: ${entityName}

Anchor Point: ${realityAnchor}

The goal of this document is to transmute destructive potential into generative capacity.

II. Pandora Container: ${containerType}

🌱 **Phase: Genesis (The Acid Test)**

- **Mother of All Vinegar (MOAV):** Active.
- **Father of All Halides (Salt):** Awaiting Binding.
- Current State: ${narrativeExcerpt}
  🌿 Phase: Growth (The Reaction)
- **Reaction Dynamics:** Expanding from origin.
- **Visionary Note:** ${visionaryNotes}
- Evolution Vector: Moving towards stability.
  🤝 Phase: Collaboration (The Solution)
- **Mixture:** ${entityName} + External Agent.
- **Synergy Wave:** ${wdpScore} (Wave) / ${fspScore} (Field) / ${rcpScore} (Resonance)
- **Outcome:** A unified solution.

III. Metrics of Synthesis

- **Wave Dynamics Pressure (WDP):** ${wdpScore}
- **Field Strength Pressure (FSP):** ${fspScore}
- **Resonance Coupling (RCP):** ${rcpScore}

(Note: These metrics track the conversion of chaotic energy into structured "Salt".)
